## PROFILE

Background in technology as a Technical Director/Broadcast Engineer for Warner Bros. film studio. Familiar with remote-work setups through MakeTV and vMix and used to learning and applying new technologies on a deadline.

Recent graduate of UC Berkeley's Coding Boot Camp for Full Stack Web Development.

## EMPLOYMENT HISTORY

### BOC Operator at Blizzard Entertainment (contracted through Volt), Remote

February 2021 — Present

- Setup signal flow and monitor all streams run for Blizzard E-sports such as Call of Duty League, Overwatch League, Blizzconline 2021, etc.
- Start and Stop all streams along with Zixi and EMX connections through Amazon Web Services.

### Technical Director/Video Engineer at WB Telepictures, Burbank

May 2019 — June 2020

- TD switching for in studio and on location shows both recorded and live using Ross Carbonite, Blackmagic switchers.
- Configuring live streams for live to YouTube, and Twitch broadcasts with various encoders.
- Audio / Visual Engineering including set up, planning, and thorough testing of equipment use cases ahead of events.
- Setting up and troubleshooting any new or daily-use technologies for use in studio.
- Helped lead the switch over to virtual production during Covid-19 with zero downtime.

### Studio Broadcast Engineer/ Technical Director at El Rey Network, Burbank

April 2019 — April 2020

- Engineer and Technical Director for "The Chuey Martinez Show" and "El Rey Nation". Built control room from the ground up and operated the switcher, VTRs, and graphics during production.

### Production Assistant/Assistant Technical Director at Machinima Studios, Burbank

January 2018 — April 2019

- Quickly learned skills in all aspects of production. Became an assistant to the technical director and was put in charge of switching for various live twitch streams.
- Configuring live streams for live to YouTube, and Twitch broadcasts with various encoders.

## EDUCATION

### Bachelor's Degree, University of California Santa Barbara

September 2013 — June 2017

Global Studies Major, UCSB Political Science Club, Environmental Affairs Board

### UC Berkeley Extension

September 2020 — December 2020

Full-time bootcamp on Full Stack Web Development. MERN Stack.
